

TO WHOMSOEVER IT MAY CONCERN

Date: 17th April 2025

This is to certify that Ms. **Patel Devanshi Narendrabhai**, a student of **Shree Ramkrishna Institute of Computer Education and Applied Sciences**, enrolled in the **Bachelor of Science in Information Technology** program, has successfully completed her **6th Semester** internship training at **Visitorz Tech Pvt. Ltd., Surat**. The internship was carried out under the guidance of **Mr. Prince Prajapati** as part of the curriculum requirement.

The internship titled "**Industrial Training**" was conducted from **18th November 2024 to 18th May 2025**. During this period, she worked on the project titled "**FundHive - CrowdFunding Platform**". Throughout the internship, she displayed a high level of sincerity, dedication, and professionalism. The intern actively contributed to the project and showed keen interest in learning and applying new skills.

As the project was developed in a **live production environment** and includes company-confidential data, the source code cannot be shared. However, the intern is permitted to showcase a **live demo** of the project for academic or portfolio purposes. This letter also serves as a **No Code Certificate** to confirm the intern's involvement in real-time project work.

We sincerely appreciate her contribution and wish her all the very best for a successful career ahead.

Warm regards,
